

If it's Tuesday it's

The Gathering Place

Tuesdays: November 5th, 12th, 19th & 26th

Our Community Café and meeting place has been embraced by folk of all ages and we are thrilled to continue this special brand of community every Tuesday throughout November.

It's a great way to meet and engage with people over a cup of coffee, tasty lunch or afternoon snack.

We would love you to drop in whenever you feel the need for company, good conversation by the fire or even a spirited game of ping pong or a board game or two. Everyone is always welcome!
