**CALL TO WORSHIP**

**One:** We gather tonight to remember an ancient story--  
a story that reminds us that Heaven longs for us to have  
peace on earth, and goodwill towards all people.

**All:** It is a sacred story that reminds us that those who search  
the heavens for signs of good news  
will find the holy gifts they seek  
of hope and peace, joy and love.

**One:** Come let us listen to the children and the song of the angels

**All:** so that we might see every child as God with us,  
and awaken to the truth that Holy Love  
is being born in unexpected places all the time,  
within the humble and the wise  
and even within our own hearts.
